

ATTENDANCEExcused Absences for Classroom Based Attendance

Absence from school shall be excused only for health reasons, family emergencies and justifiable personal reasons, as permitted by law or Board policy.

A student's absence shall be excused for the following reasons:

1. Personal illness;
2. Quarantine under the direction of a county or city health officer;
3. Medical, dental, ophthalmologic, or chiropractic appointments;
4. Attendance at funeral services for a member of the immediate family;
5. Justifiable personal reasons, when accompanied by a written request by the parent or guardian and approved by the Principal or his/her designee, including, but not limited to:
 - a. Appearance in court
 - b. Attendance at a funeral service
 - c. Observance of a holiday or ceremony of his/her religion
6. Spending time with a member of the pupil's immediate family, who is an active duty of the uniformed services and has been called to duty for, is on leave from, or has immediately returned from, deployment. Absences granted pursuant to this section shall be granted for a period of time to be determined at the discretion of the Principal.
7. For the purpose of attending the pupil's naturalization ceremony to become a United States citizen.

Students absent for the reasons deemed "excused" shall be allowed to complete all assignments and tests missed during the absence that can be reasonably provided and, upon satisfactory completion within a reasonable period of time, shall be given full credit therefor. The teacher of the class from which a student is absent shall determine which tests and assignments shall be reasonably equivalent to, but not necessarily identical to, the tests and assignments that the student missed during the absence.

Method of Verification

When students who have been absent return to school, they must present a satisfactory explanation verifying the reason for the absence. The following methods may be used to verify student absences:

1. Written note from parent/guardian, parent representative, or student if 18 or older;
2. Conversation, in person or by telephone, between the verifying employee and the student's parent/guardian or parent representative. The employee shall subsequently record the following:
 - a. Name of student;
 - b. Name of parent/guardian or parent representative;
 - c. Name of verifying employee;
 - d. Date or dates of absence; and
 - e. Reason for absence.
3. Visit to the student's home by the verifying employee, or any other reasonable method, which establishes the fact that the student was absent for the reasons stated. A written recording shall be made, including information outlined above.
4. Physician's verification
 - a. When excusing students for confidential medical services or verifying such appointments, School staff shall not ask the purpose of such appointments but may contact a medical office to confirm the time of the appointment.
 - b. When a student has had 10 absences in the school year for illness verified by methods listed in #1-#3 above, any further absences for illness must be verified by a physician.

Insofar as class participation is an integral part of students' learning experiences, parents/guardians and students shall be encouraged to schedule medical appointments during non-school hours.

Students in grades K-6 should not be absent from school without their parents/guardians' knowledge or consent except in cases of medical emergency. Students in grades 7-12 should not be absent from school without their parents/guardians' knowledge or consent except in cases of medical emergency or confidential medical appointments.

Unexcused Absences/Truancy for Classroom Based Attendance

The Director, or designee, shall implement positive steps to reduce truancy. Students who are habitual truants or habitually insubordinate or disorderly during attendance at School may be referred to the appropriate law enforcement agency.

When the student's attendance problems cannot be resolved or the student and parent/guardian have failed to respond to directives to correct the problem, a student who has been classified as truant may be referred to the district attorney or probation officer for truancy mediation. Further, the School attendance review board or probation officer may request a juvenile court petition on behalf of the student.

A student's grades may be affected by excessive unexcused absences in accordance with Board policy.

1. Students shall be classified as truant if absent from school without a valid excuse three full days in one school year, or tardy or absent for more than any 30-minute period during the school day without a valid excuse on three occasions in one school year, or any combination thereof. Such students shall be reported to the Director or designee.

The parent/guardian of a student classified as a truant shall be notified of the following:

- a. The student is truant;
 - b. The parent/guardian is obligated to compel the student to attend school;
 - c. The parent/guardian who fails to meet this obligation may be guilty of an infraction of the law and subject to prosecution;
 - d. The parent/guardian has the right to meet with appropriate school personnel to discuss solutions to the student's truancy;
 - e. Alternative educational programs are available through the School;
 - f. The student may be subject to arrest by a probation officer, a peace officer, a school administrator, an attendance supervisor or his/her designee under Education Code section 48264 if found away from home and absent from school without a valid excuse;
 - g. The student may be subject to suspension, restriction or delay of his/her driving privilege; and
 - h. It is recommended that the parent/guardian accompany the student to school and attend classes with the student for one day.
2. Upon his/her first truancy, a student and, as appropriate, the parent or legal guardian, may be requested to attend a meeting with a school counselor or other school designee to discuss the root causes of the attendance issue and develop a joint plan to improve the pupil's attendance.
 3. Upon his/her second truancy within the same school year, a student may be given a written warning by a peace officer. A record of the written warning may be kept at the school for not less than two years or until the pupil graduates or transfers from the school. If the student transfers from that school, the record may be forwarded to the school receiving the student's school records. The student may also be assigned to an after-school or weekend study program within the county. If the student fails to successfully complete this study program, he/she shall be subject to item #4 below.

4. Upon his/her third truancy within the same school year, the student will be classified as a habitual truant and may be referred to, and required to attend, an attendance review board or a truancy mediation program established by the district attorney or the probation officer, or a comparable program deemed acceptable by the Director or designee. If the student does not successfully complete the truancy mediation program or other similar program, he/she shall be subject to item #5 below.
5. Upon his/her fourth truancy within the same school year, the student may be within the jurisdiction of the juvenile court that may adjudge the pupil to be a ward of the court. If the student is adjudged a ward of the court, the student shall be required to do one of the following:
 - a. Performance at court-approved community services sponsored by either a public or private nonprofit agency for not less than 20 hours but not more than 40 hours over a period not to exceed 90 days, during a time other than the student's hours of school attendance or employment. The probation officer shall report to the court the failure of the student to comply with this paragraph.
 - b. Payment of a fine by the student of not more than fifty dollars (\$50) for which a parent or legal guardian of the student may be jointly liable.
 - c. Attendance of a court-approved truancy prevention program.
 - d. Suspension or revocation of driving privileges. This subdivision shall apply only to a student who has attended a school attendance review board program, a program operated by a probation department acting as a school attendance review board, or a truancy mediation program pursuant to subdivision (c).

Reports

The Director, or designee, shall gather and transmit to the Board the number of referrals and types of referrals made to the school attendance review board and the number of requests for petitions made to the juvenile court.

Non-Classroom-Based Programs

All attendance for non-classroom based programs shall be in accordance with current law and regulations.
